

# Assisto Mama for medically assisted procreation

# Who are we ?

**Assisto Mama** is an innovative structure that connects parents who wish to benefit from medically assisted procreation at a lower cost, in partnership with the **POSAM** clinic of Dr Athanase SODJIEDO.

# Our vision

Offer a reliable, humane and affordable alternative to all couples wishing to become parents, while respecting international medical standards

# Partnership with POSAM

The POSAM Cotonou clinic has helped deliver more than 500 babies since 2011 using assisted reproductive technology such as IVF.

# Our services

- ▶ - Connection with the POSAM clinic
- ▶ - Accommodation, transport and administrative assistance
- ▶ - Legal assistance
- ▶ - No waiting list
- ▶ - Post-IVF/GPA monitoring
- ▶ - Interface with international IVF/GPA agencies

# Why to choose Benin ?

Benin has been ranked among **the 10 best destinations to discover in 2024**. It is the only country in West Africa and Central Africa to eliminate medical evacuations to European countries for having built a reference hospital to international standards, the CHIC.

# A country rich in culture

Benin, the land of Amazons of Dahomey, beautifully depicted in the American 'The Woman King' with Viola Davis, embodies a historical and contemporary feminine power. It's also the land of **Angelique Kidjo** - *the first African to be nominated for a star on Hollywood's Walk of Fame* - **Djimon Hounsou** and **Vodun**.

# Our ethical commitments

- ▶ - Informed consent
- ▶ - Strict legal framework
- ▶ - Confidentiality
- ▶ - Zero exploitation of surrogate mothers

# Our selection criteria

- ▶ Opening IVF to all women wishing to have children
- ▶ Opening GPA to married heterosexual couples only
- ▶ Exclusion of homosexual (LGBT) couples

# Who manages Assisto Mama?

- ▶ Claudia Noutais is a proud mother, an auditor, author, trainer, financier, Global Chamber representative for Benin and Togo created by American Doug Bruhnke, and member of the YALI network created by Barack Obama in 2010.

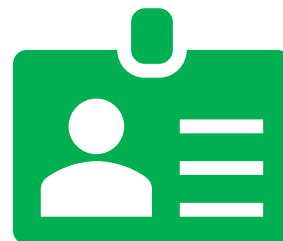

# Targets for 2025-2026

- ▶ - Attract 100 international couples
- ▶ - Establish partnerships with IVF/GPA agencies
- ▶ - Develop surrogacy assistance
- ▶ - Increase international visibility
